Dear Disciples of Christ's Church,

The month of March will be entirely within the Church Year season of Lent, and as a worshipping community, we will follow our Lord on His way to Jerusalem and to crucifixion for the sake of our salvation. I look forward to sharing this annual spiritual pilgrimage with you on the Sundays of Lent!

There are two other matters I need to address with you in this letter. One of them is the situation of our radio broadcasts. As I write this letter on February 24, the WMLP radio station we have used for many years has been sold to a new company, and to date, we have not been able to make contact with the new ownership of the station. The former owners, Sunbury Broadcasting, offered us a time on one of their other stations which was unacceptable to our Council. We are investigating placing our broadcast on another station, and will let you know when and if we are able to have a deal in place.

The second item comes from a discussion at our Congregation Council meeting of February 20. Last year, as we repaired our building's roof, we encouraged you to consider making a gift to help offset the costs of the work. Many of you did so, and the Council is grateful. We are now at a position where a decent funding level once again exists in our Building Fund. The Council would therefore like to encourage members to once again place our primary giving focus on the Current Fund. Our Treasurer, Tim Eshelman, is available to answer questions you may have regarding this situation.

Once again looking at Lent, we will be hosting the community Lenten Soup and Scripture luncheons. These take place, starting with Ash Wednesday, at noon. On the Wednesday evenings following Ash Wednesday, we will hold our soup and salad (and dessert) dinners at 6:30 p.m., with Holden Evening Prayer worship services to follow at 7:30 p.m.

The Lenten season is a wonderful time to journey with the Lord and to grow in our faith. My hope is that we will see You often during the Wednesdays and Sundays of March, all in the season of Lent!

Yours in Christ's Service,

*PASTOR HENDERSON*

**EXTRAVAGANZA 2020 – Practice not Perfect.** From January 30 to February 3, I attended the ELCA children, youth and family ministry Network’s Extravaganza. It was a time of renewal, education, worship, and making connections. The theme this year was *Practice not Perfect*. The speakers and workshop leaders used that as a jumping off point, and we were reminded that we are called into ministry and that is a process. Ministry is a process of learning, evolving and growing into something. It is a process of being shaped: spiritually, emotionally, physically and vocationally. Jesus calls us to a practice of loving and serving as we align ourselves closely with God’s mission in the world. We were reminded that there is grace to cover our failures and that we are to continue to practice. Jesus does not ask for perfection, but that we practice.

The track that I followed was entitled “Practicing Change: Transforming Hearts and Minds.” The main leader of this track told us about the various generations and how their faith journeys were shaped differently. The track offered a vision for forming faith, shared practices for engaging people of all ages, and addressed how to lead adaptive change. 7 key faith factors that they spoke about were: family of origin, sacred memories, authentic community, solid Biblical foundation, engagement of faith in daily life, a safe place for searching, and mentoring. My vision is that these are 7 factors that we at Christ’s can help support, create, offer, and strive to do and be.

**THANK YOU VERY MUCH!** The months of January and February were filled with opportunities for the congregation to help with many things. Your support has been tremendous. Thank you for all you gave. The Soup and Bread Sale netted \$472.00 for the youth mission trip. The Gift Card sales added another \$57.00 to the trip’s account. The Souper Bowl of Caring offering was 54 food items and \$542.30. That has gone to help our Emergency Food Pantry and the Eastern Union County Food Bank. The M&M mission money offering has started rolling in and we anxiously await the return of more containers. Thanks again for all you have given. Your support to the various projects has been very heartwarming and very much appreciated.

**FIRST COMMUNION CLASS:** During the season of Lent the 3rd graders will learn about the Sacrament of Holy Communion. A few other elementary aged youth will join them. They will get to partake in their first Communion on Easter.

**BIBLE STUDY:** We will be continuing our adult Bible study based on the movie *Overcomer*. This is a story of a cross country coach and the young lady runner on the team. News of God's People in Action from the Upper Susquehanna Synod, ELCA February 2020

*USS ARK is a publication of the Upper Susquehanna Synod, ELCA. Permission is granted to reproduce USS Ark for congregational communications. Send your mission stories and ministry ideas to Editor Chad Hershberger at [news@uss-elca.org](mailto:news@uss-elca.org).*

## Thank You!

When we speak of the Upper Susquehanna Synod we speak of our congregations and members working in partnership with each other to proclaim the Good News of Jesus Christ in our Susquehanna Valley. Together we are synod, United, Supporting, and Serving.

A sign of our commitment to one another and to the Gospel is our Mission Support. These contributions, shared by congregations from their Sunday collections, along with giving by our members to ministries of the ELCA, compound our impact in the world.

Thank you to our 120 congregations who contributed Mission Support in 2019. Together you gave \$776,574 to support the mission of our synod. Contributions in 2019 exceeded commitments by almost \$75,000 and fell short of our budget by slightly over \$10,000.

In addition to Mission Support our synod gave almost \$100,000 to support ELCA ministries: \$21,600 for ELCA Global Missions, almost \$46,000 for Hunger, and \$27,000 toward other ministries.

The generosity in our congregations enables us to share the love of God beyond our congregations. For more on what Mission Support does check out Stories of Faith in Action and Where Your Offering Goes on the ELCA website ([www.elca.org](http://www.elca.org)).

## Thank You! YAGM Participant Reflects on Year Abroad

*by Tara Barnard, of Trinity, McAlisterville, who spent a year in YAGM*

Young Adults in Global Mission, or YAGM for short, is a mission of the ELCA. Each year through the YAGM program the ELCA sends out almost 80 young adults ages 21-29 to various countries around the world to work in tandem with the ELCA's counterparts in those countries. Through this program I spent the past year in Buenos Aires, Argentina working at El Arca, an organization for adults with special needs, and Santo Sacramento, a Lutheran church nearby.

I could fill articles upon articles with the differences between Argentina and the United States, but I could also fill articles upon articles with the similarities. In the end, I learned thousands of life lessons. I would love to fill pages and have good conversation about the church in Latin America, about living with adults with disabilities, about the power dynamics and relationships between the United States and other countries. The model of mission of the ELCA and the YAGM program is accompaniment. My definition of accompaniment is doing life together and walking side by side. I have many stories full of beauty and pain as I lived out this model in the past year. I will leave you with one story that embodies the spirit of my year.

Osvi is seventy years old and sits at the head of the table during dinner. He uses his own form of sign language to communicate, along with some partial words. Marcos sits to Osvi's right at dinner. He is nineteen years old and blind. Marcos is sitting at the table when Osvi arrives, making car noises as he pushes his walker down the hallway and into the dining room. Everyone quiets down a little and Marcos can tell Osvi must be talking with his sign language. Marcos says "Osvi, que haces con tus manos?" Osvi, what are you doing with your hands? He says it two or three times. Marcos reaches out to feel Osvi's hands. Osvi does his sign language

with Marcos feeling his hands and at the same time adds partial words to help Marcos understand. They both get excited as they begin to understand each other. Osvi is almost singing with his partial words, and Marcos is grinning ear to ear. I wish you could have seen the joy radiating from the two of them. It took time, and work, but they overcame the barriers between them to communicate.

### **LOM VBS Curriculum Available**

Lutheran Outdoor Ministries (LOM) produces the curriculum each year that is used in camp and retreat settings and for Vacation Bible Schools and day camps. LOM has released its 2020 curriculum entitled *From Generation to Generation*.

With this curriculum, campers and their leaders will explore the stories of familiar Bible characters and their responses to God's call and promised faithfulness in the midst of life's unpredictability and challenges. The promises of God, first made to Abraham and Sarah, include a place to live, a purpose to live out, and a posterity to carry on God's promises to all future generations. Freed from fear, we step out, trusting that missteps will not destroy us, that God's guidance will take us where God has called us to go, creating relationships based on care and compassion. From *Generation to Generation* focuses on how the enduring love instilled in the promise to Abraham and Sarah continue through Old Testament characters, to Jesus, to the early church, and on to YOU! God's love endures forever – *From Generation to Generation!* Daily themes include Abraham and Sarah; Joseph; David; Mary; and Paul, Timothy, and Lydia.

The curriculum is also available in small bundles designed for Youth Ministry and VBS settings. The full curriculum package includes Bible study sessions for Elementary, Youth, and Adult, as well as games, crafts, environmental activities, and team-building activities.

From *Generation to Generation* is available for purchase and download the curriculum on the LOM website at [www.lomnetwork.org](http://www.lomnetwork.org) under the "resources" tab. Lutheran Outdoor Ministries is an association of outdoor ministry organizations dedicated to encouraging, equipping, educating, and empowering bold and faithful outdoor ministry leaders for service in the Church and in the world.

**Camp Mount Luther's** website now has information about summer camp programs. Brochures were also mailed to churches and campers from the last two years in January.

### **Up and Down the Valleys**

St. John's, Delaware Run (*Interim Pastor Justin Lingenfelter*) held a pork and sauerkraut dinner on January 23.

Clergy Notes: **Rev. Dr. Lois Martin** was granted retirement status by Synod Council in November. **Rev. Sarah Hershberger** is the chaplain interim now at Trinity, Shamokin.

**St. John's, Lewistown** (*Pastor Jeri Carlin*) and **St. Mark's Episcopal, Lewistown** (*Father John Harwood*), worshiped together in a joint ecumenical service on Epiphany 2020. It was a meaningful event with youth & children's drama and special music, Father Harwood preaching, and Pastor Carlin presiding communion. This was a blessed evening of unity, worship of our Lord Jesus Christ, and the beginning of an annual event for both congregations.

You can help tell the stories of our ministries within the synod. We welcome your submissions for *USS Ark*. If you have a ministry that you'd like to be featured, please send information to [news@uss-elca.org](mailto:news@uss-elca.org). Pictures are welcomed but please get permission of those pictured before you send it. Thank you for your partnership and for reading *Ark!*
