## Musicians Invited to Provide Special Music for In-Person Worship:

Musicians of CELC are invited to provide special music for our in-person worship on Sundays at 10:30 am. Due to the pandemic, special music will need to be modified. All musicians must be masked. Musicians may provide the following: Vocal solo - mask required while singing; (vocalists are asked to limit projection of voice), Piano solo, Handbell solo, String instrument solo - no wind instruments permitted and Orff instrument or other percussion instrument solo. We'll begin with the basics. Hopefully, we can move to organizing some small ensembles of no more than four musicians to play handbells, Orff instruments, string instruments, etc.

**IMPORTANT** - Anyone interested in providing special music is asked to contact Joanne Vasey (vasey@windstream.net or (570) 523-1415). Interested musicians are encouraged to please take initiative and not wait to be asked. Please contact Joanne in a timely manner so that bulletin info can be compiled by the proceeding Tuesday.

**VIRTUAL "MUSIC MOMENTS" UP AND RUNNING!** Check out "Music Moments" with Brandy on CELC's Facebook page. These short, weekly videos will teach & display musical activities for kids that you can try at home - no instruments required! Activities will include singing, "drumming", brief educational lessons, motions, rhythmic patterns and more!
